ABOUT

The Balmoral Hall School **Blazers Varsity Prep Female Hockey** team was founded in 2006 and made history in 2018, capturing the Junior Women's Hockey League (JWHL) Championship title for the first time in program history.

As a leading and internationally recognized program with an unparalleled track record in Manitoba, the Blazers joined the highly competitive Canadian Sport School Hockey League (CSSHL) for the 2024-2025 season and captured the Female U18 Prep Division 2 Championship!

The team is entering its 20th season in 2025-26 and is seeking corporate partners to help elevate and strengthen female hockey in the province, ensuring they continue to attract top players and coaches to compete at the highest level.

Your investment will inspire student-athletes to excel both on the ice and in the classroom, shaping the next generation of leaders.

Over the past 19 years, the Blazers Varsity Prep Hockey team has welcomed **170+ players** to its rosters.

THE COMMITMENT

In addition to school tuition, hockey families at Balmoral Hall make a commitment of \$9,460 in hockey fees each year to help provide essential resources such as equipment, training and travel.

As the Prep Hockey program continues to grow and costs continue to rise, support from dedicated members of the hockey community—like you—is essential to sustaining and enhancing this experience for student-athletes.

Partner with us today to ensure ongoing funding for the hockey program, and to continue attracting the most exceptional hockey players who also excel in our academically rigorous environment.

Let's ensure this opportunity is never financially out-of-reach for the best and brightest female hockey players!
