Elements of Risk

2024/25 Blazers Spring Skates Elements of Risk On/Off Site Activities

This form must be read and signed by all athletes and by a parent or guardian of participating athletes.

Blazers Spring Skates may involve a certain element of risk while participating in practices.

Accidents may occur while participating in practices and may cause injury. A few examples of the type of accident that one is at risk of are:

- broken limbs;
- pulled, strained or torn muscles, ligaments or tendons
- head injuries
- injuries related to vehicle crashes enroute to and from activity area
- becoming lost or separated from the group or the group becoming split up
- hypothermia due to remaining in cool/cold water too long or due to insufficient clothing and/or hydration
- allergic reactions to natural substances in the outdoor environment (e.g., bee or wasp stings)
- injuries related to equipment malfunction or becoming tangled in apparatus
- other risks normally associated with participation in the activity and environment

There may be other types of injuries not listed here.

These accidents result from the nature of the activity and can occur without fault on either the part of the student, the school or its employees, or the facility where the event is taking place. By choosing to participate in the activity, you are assuming the risk of an accident.

The chance of an injury occurring can be reduced by carefully following instructions at all times while engaged in the activity.

By choosing to participate in Blazers Spring Skates you must understand that you will bear the responsibility of any accident that might occur.

Balmoral Hall School does not provide any accidental death, disability, dismemberment or medical expense insurance for students or chaperones participating in these activities.
